Gold: The wattle flower that characterises Croydon.

The Group Committee meets every six weeks usually on Monday evenings. Everyone is welcome to join. Please contact either Daniel Tanner or Samara Miller for details of the next meeting.

Parent/Carer Involvement

If you have special skills or a hobby you can share with the Group, we welcome you to share them with us.

We are also always looking for Parent Helpers to help us on a regular basis. Let us know if you are interested.

You also have several obligations to the Scout Group. These include:

- payment of yearly fees,
- assistance with fund-raising,
- working bees, and
- attending the Annual General Meeting (called an ARAP – Annual Reporting and Award Presentation night).

Other ways for you to become involved include joining the Group Committee or becoming a Leader.

"Remember... Scouts is NOT a baby-sitting club; your participation is vital to its existence"

Adult involvement with Scouting is on a completely voluntary basis. It will take as much time as you wish to put in. For some this is very little time and effort, for others it can become a passionate interest. We welcome all contributions!

We recommend that new parents/carers obtain a [Working with Children Card \(volunteer\)](#), which is required for any person over 18 years of age transporting youth or assisting with activities away from the hall. This also applies to Rovers. This is available through your local Post Office or on-line at no cost.

Uniform

The uniform consists of a shirt which is navy blue with the colour of the section across the shoulders and sleeves. This can be purchased from:

- Scout Shop online: www.scoutshop.com.au
- Snowgum Factory Outlet: 1702 Dandenong Road Oakleigh East, VIC, Australia
03 9540 0895, open 7 days, 10:00am - 5:00pm

Other Important Parts of the uniform

- Shorts or Trousers – Navy blue, Grey or Stone/Tan/Beige), and of professional appearance (school uniforms from Kmart or Big W work quite well)
- Belt – (For shorts / trousers with belt loops) Scouts Australia metal buckle (from Snowgum)
- Hat – Hats must be worn on all daytime activities held outside. You may wear **any** hat that covers your face and neck. Scouts Australia hats in different styles are available from the Scout Shops above.
- Socks – Plain colour to match shorts or trousers.
- Shoes – Enclosed Shoes must be worn. This is a safety requirement.
- Fleece Jacket – (Optional) Navy Scout pattern (from Snowgum).
- Group Scarf (Black with emerald and gold edging) and woggle (both provided by us)

Please ensure that all items of the uniform are named

The uniform is designed to be practical and durable, and Scouts are encouraged to take a personal pride in their appearance by wearing the uniform tidily and cleanly. Unless advised otherwise, Scouts should wear full uniform to all Scouting activities.

Your Child's Investiture

Once you have purchased a uniform and paid your fees, your child will be invested into the section they are joining.

The section leaders will let you know when the investiture is to be held. Generally, we try to arrange the ceremony for a time and date that suits the child's family.

On the night your child is to be invested he/she/they will wear their uniform for the first time. He/She/They should arrive at the hall wearing their uniform.

Law And Promise

When your child is invested, they will need to say one of the following Scout Promises.

The Scout Promise

On my honour, I promise
To do my best,
To be true to my spiritual beliefs,
To contribute to my community and our
world,
To help other people,
And to live by the Scout Law

or

On my honour
I promise that I will do my best
To do my duty to my God, and
To the King of Australia
To help other people, and
To live by the Scout Law

The Left Handshake

All Scouts shake with the Left Hand to show their membership of the Scout Movement and their trust in one another.

The Scout Sign

The Scout Sign is made when a Scout makes or reaffirms his/her/their promise. It is made with three fingers on your right hand held next to your shoulder.

The Salute

All Scouts salute each other and the flag. This is made with same three fingers as the Scout Sign, held with the fingers pointing to your forehead.

Our Program

The Scouts' program is developed with ideas from the Scouts themselves, and we base our weekly program around 4 challenge areas:

PERSONAL GROWTH

OUTDOORS

CREATIVE

COMMUNITY

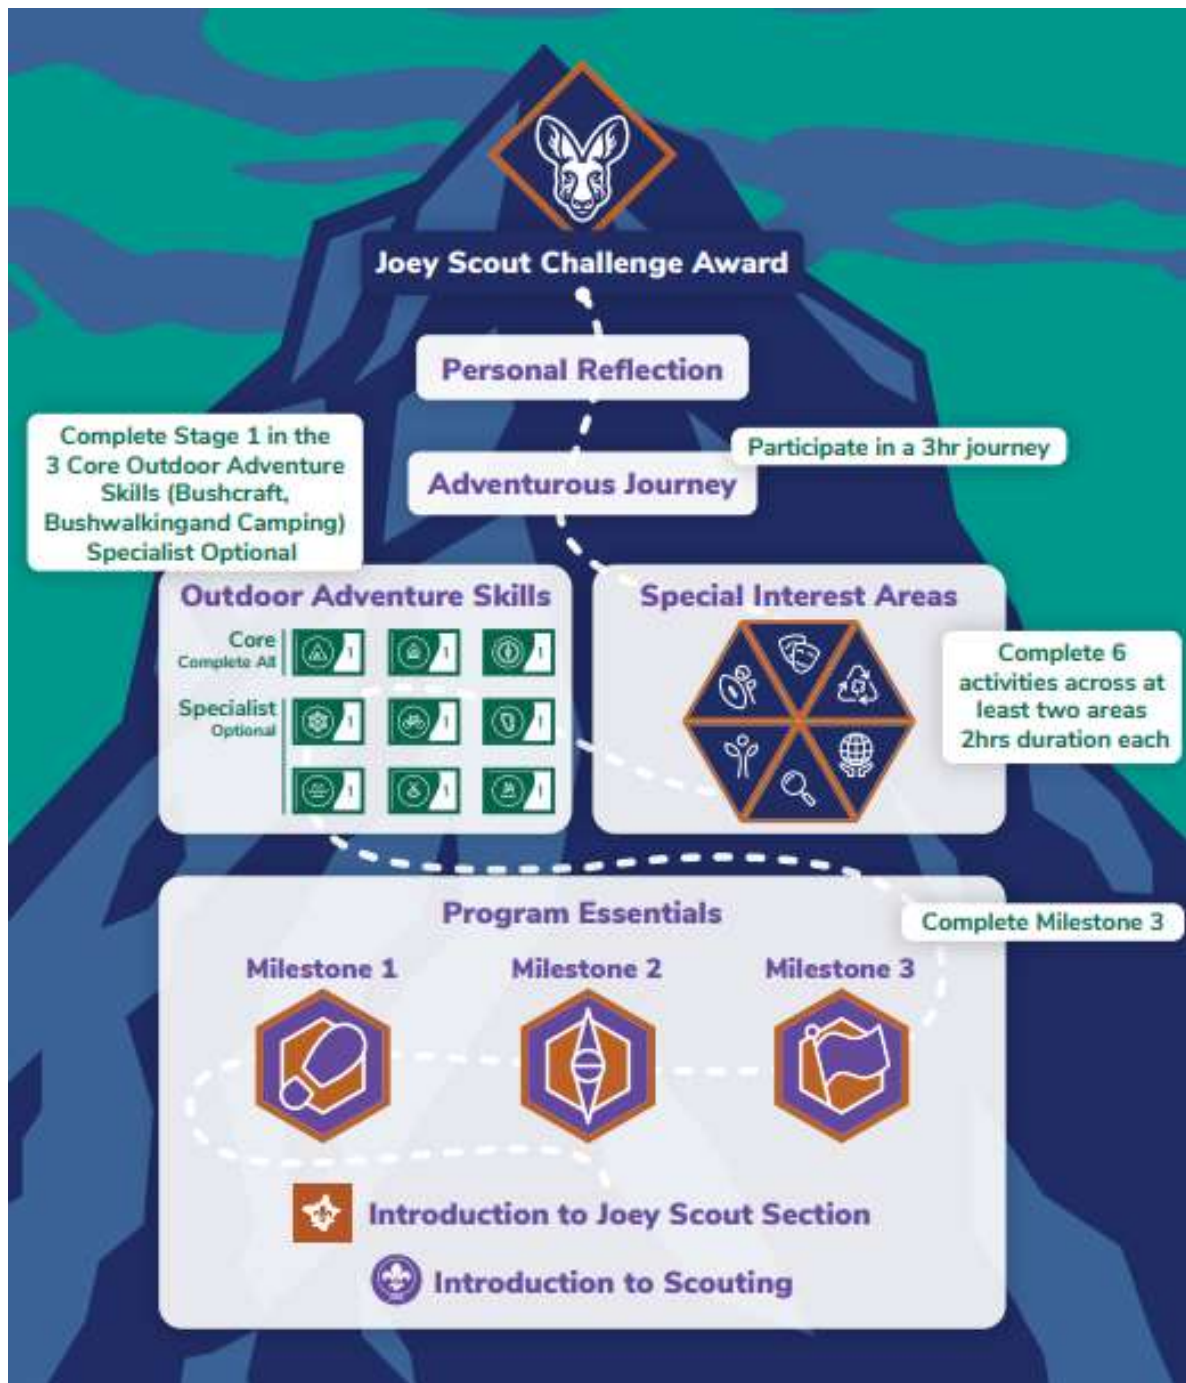

Badge Achievement Pathway

An important part of Scout activities is the Achievement Pathway. Your child will soon want to earn some badges to wear. Below is the Achievement Pathway from the Joey Scout section but is similar in each other section. Each section has a peak award. Not all Scouts will achieve these awards, but the opportunity is offered to everyone.

We have further information about all sections of the Achievement Pathway, so you don't need to know about them at the time of joining.

Speak Like a Scout

Have you ever wondered about a woggle or debated the meaning of HOP? Scouting has its own weird and wonderful language that can be a challenge to decipher. Here are some of the words and phrases you might hear at Scouts:

B-P – When Scouts talk about B-P, they aren't referring to a petrol station! These initials are our simple abbreviation for the man who started it all back in 1907, Lord Robert Baden-Powell.

Gilwell Park – B-P's famous UK training ground inspired our own Scouts Victoria campsite at Gembrook, which has the same name.

Good Turn – This is a traditional phrase that is still used by Scouts and Guides around the world. It is all about doing something good for someone else every day.

Handshake – Scouts traditionally shake their left hands for greetings and badge presentations.

JOTA / JOTI – The 'Jamboree of the Air' and 'Jamboree of the Internet' are a massive, once a year opportunity for Scouts around the world to get to know each other through amateur radio and the internet.

Kangaree/Cuboree/Jamboree – These are massive camps for Scouts from all over Victoria and the country, held every few years. Your section leaders will provide you with details when the next one comes around for your section.

Leaders Den – This is what we call the room that the Adult Leaders use to keep resources in and is often a space for Leaders only.

Salute – B-P came up with our global Scout salute - holding up three middle fingers with the little finger tucked under the thumb – and we still use it at Scout ceremonies.

Scout Hall – This is what we call the building that we usually meet in.

Woggle – This is a handy one to know for trivia nights. It's the name of the ring used to hold the Scout scarf, and it dates to the 1920s. (The Americans had their own version, called Boon Doggles or Neckerchief Slides.)

Wood Badge – Advanced qualification for Adult Leaders which ends in presentation of wood beads, a parchment, and a Gilwell Scarf. Some of our Leaders have them if you would like to see them.

YiS – This signoff on emails or letters is an abbreviation for 'Yours in Scouting'.

Operoo

Scouts Australia use Operoo for all health-related information. You will receive an email asking you to complete

an Operoo profile for your Scout. Please put all relevant information into the profile, because allowing the leaders to know that your daughter or son has a medical condition will allow us to provide a better and safer program. You will also be asked to update the Operoo profile before each event that your Scout attends.

Facebook

Find us at [3rd Croydon Scout Group](#) for friends, family, and members of the public. After your child/ren has been invested you can join our closed group [3rd Croydon Scouts - The 5th Patrol](#) on Facebook. This page is available to currently invested families only. It provides a space for everyone from 3rd Croydon Scout Group to ask questions, chat, find out what is happening in the group and generally connect with each other. Permission for photos to be displayed on these pages is assumed unless families notify the Group Leader they wish to opt out.
